### Impressions Of Fighting By Dawson

Sergeant Gary Dawson is fighting with the 40th Division behind the lines in Korea, he reported in a letter to his parents, Mr. and Mrs. Edward R. Dawson of 1906 Plaza Del Amo.

Dawson, who became 19 on the 19th of December, has been serving in the Armed Forces for two years and five months, his mother revealed today.

In his most recent letter, he had a number of observations concerning conditions behind the lines. Dawson said that two men in his platoon were killed, Jan. 31. He also pointed out that one soldier who was cleaning his gun—accidentally blew two holes through a cap that he was wearing but received no injury whatsoever.

"Our men fire all day," wrote Dawson, "the Commies only fire several times during the day."

"I don't know if that is good or bad," Mrs. Dawson told the Press. "My only hope is that the war is over soon and that my boy comes home safely."

Mrs. Dawson reported that when her son was called in as a reserve, he finished graduating from Torrance High School by mail. Principal John Steinbaugh gave him the mail tests. Other activities carried on by Dawson as a civilian included working as an Assistant Scout Master for Episcopal Troop 241 in Torrance.

"Gary is a good swimmer and dancer," said Mrs. Dawson. "He plans to study medicine once he leaves the service."
